## **Questions for Reflection**

In a world that values busyness above all else, how do we, in a healthy and faithful way, hold Paul's demand to work well with the command for Sabbath?

"Brothers and sisters, do not be weary in doing what is right".

### ***Household Prayer: Morning***

God of comfort,  
we give thanks for the dawning of a new day.  
Even though we have turned from you, you have reached for us.  
Even though we have been afraid,  
you have been our strength and our might.  
May we draw life-giving water with joy this day,  
giving thanks for the multitude of gifts and challenges we face,  
singing praises to the Lord throughout all the earth.     ***Amen.***

### ***Household Prayer: Evening***

God of salvation,  
we are reminded of the myriad of ways  
you have strengthened and supported us today.  
In the midst of challenge and promise you reach for us.  
You create a new heaven and a new earth  
and call us to participate in the renewing of hearts and minds.  
Be with us and those we love this night.  
Be with your beloved whose fear prevails over your comfort,  
and bring us through this night to the dawning of a new day.     ***Amen.***
